Daily Plan

The image shows a full-page view of a sheet of graph paper. It features a light gray background with a grid of thin black lines. A prominent diagonal band of light pink color stretches across the upper portion of the page, starting from the left edge near the top and extending towards the right edge. Within this pink band, the Korean text "품 견 본 품" is printed in a bold, dark green font. The text is oriented horizontally relative to the band's angle. Below the pink band, the rest of the page consists of the standard gray grid pattern.
